Madison Restaurant Turns 5 Years Old

February 19, 2010

February 2010, marks the five year anniversary of the Madison/Rivergate Bar-B-Cutie. Bar-B-Cutie has been a Nashville Tradition for over 60 years and has claimed the most coveted awards in the restaurant industry such as "Best Overall Restaurant", "Best BBQ Restaurant", "Friendliest Family Dining" and "Best Lunch". Bar-B-Cutie of Madison was founded to provide the community with the same foods that Nashvillians have come to expect all these years.

The Madison/Rivergate Bar-B-Cutie staff continuously strives to provide its customers with the best in food, quality and service. "For five years, our customers have kept our hearts beating." Comments Mike Cannata, store owner. He went on to say, "We live and breathe to serve our customers. My managers have been here with me from the very beginning, and are very careful to provide a 'Back Door Guests are Best' atmosphere in our store...an atmosphere where everyone feels at home and where each customer can expect the best food, quality and service. "

"I love this area and am happy that we've survived these tough few years. I am so thankful for the support of this community. For all the local citizens and businesses that continue to support Bar-B-Cutie, thank you!" Mike Cannata, owner Madison/Rivergate Bar-B-Cutie.

Although the "official" customer appreciation & community celebration is being planned for later this year, CEO & COO of Bar-B-Cutie Franchise Systems, LLC, Ronnie McFarland & Brett McFarland respectively wanted to congratulate and commemorate the important February date with a 5 year recognition plaque.
