WHY WE DO WHAT WE DO
Bar-B-Cutie has been in business for over 67 years. We believe
the cornerstone of our success is in providing the very best
ingredients, using time-honored recipes and serving it up hot
and fresh with a friendly smile. No Compromises!

POK
Our BBQ Pork is slow cooked for 17 hours at low temperatures
using real hickory wood and hand pulled to insure Pig
Perfection. Why do we do this? It's the only way to insure
tenderness and preserve the true hickory smoked flavor that
keeps our guests coming back time and time again. The slow
cooking process guarantees our guests will always get the
leastest and freestest pork possible and by hand pulling our
pork, we insure we get the fat out and serve only the best.

BEEF BRISKET
Bar-B-Cutie uses only the finest USDA Choice Brisket
trimmed to our exact specifications. We marinate our
Brisket with our own special seasonings and slow cook it
for more than 10 hours to assure it reaches the peak of flavor
and tenderness. Add a little of our exclusive “Sweet Sauce”
and you have a winning combination.

SMOKED SAUSAGE
Bar-B-Cutie selects only Grade-A cuts of pork sausage for the
very best in flavor. We slow cook it to guarantee the savoring
taste and tenderness. Once we grill and baste with our famous
“Sweet Sauce” you'll be asking for seconds. This also works great
as a compliment to any of our plates and platters.

RIBS
Bar-B-Cutie's Baby Back Ribs get the same attention to detail
and then some. We hand rub each rack with our exclusive rib
rub, slow cook them for tenderness, and serve them up just
how you like em. Wet or dry, 1/2 pack or full rack, they’re sure
to satisfy even the hungriest of appetites. Bar-B-Cutie Baby
Back Ribs - THE BEST FRIEND A WAFKIN EVER HAD!

TURKEY
Bar-B-Cutie uses the finest Turkey Breast. Why settle for
anything less? We slow cook our Turkey and offer it by itself
or on stuffed spuds. However, you order it, this lean and tasty
meat is sure to please your taste buds!

BAR-B-CUTIE SECRET SAUCES
Our sauce recipes have been passed down from generation to
generation for over 58 years. Whether you choose our Hot,
Mild or Sweet Sauce, we have blended the finest ingredients
and we believe the difference is in the taste. Enjoy!!

CORNBREAD
Bar-B-Cutie has put a new spin on a traditional favorite.
We make our cornbread fresher daily and cook it to
order. Served up looking more like pancakes than what
ma used to give us. Don't be fooled, our cornbread is
terrific and compliments any meal.

SMILING FACES
While smiling faces is not something you're used to seeing
on a menu, Bar-B-Cutie believes in our team giving you the
very best service with a smile so much, we figured we'd be
the first to put it right here for you to see. If you are ever
dissatisfied with the service or experience in one of our
stores, please ask for a manager immediately. We aim to please
and anything's possible if you just ask.
