WHY WE DO WHAT WE DO
Bar-B-Cutie has been in business for over 67 years. We believe the cornerstone of our success is in providing the very best ingredients, using time-tested recipes and serving it up hot and fresh with a friendly smile. No Compromises!

PORK
Our BBQ Pork is slow cooked for 17 hours at low temperatures using real hickory wood and hand pulled to ensure Pit Perfection. Why do we do this? It's the only way to insure tenderness and preserve the true hickory smoked flavor that keeps our guests coming back time and time again. The slow cooking process guarantees our guests will always get the leanest and freshest pork possible and by hand pulling our pork, we insure we get the fat out and serve only the best.

BEEF BRISKET
Bar-B-Cutie uses only the finest USDA Choice Brisket trimmed to our exact specifications. We marinade our Brisket with our own special seasonings and slow cook it for more than 10 hours to assure it reaches the peak of flavor and tenderness. Add a little of our exclusive “Sweet Sauce” and you have a winning combination.

SMOKED SAUSAGE
Bar-B-Cutie selects only Grade-A cuts of pork sausage for the very best in flavor. We slow cook it to guarantee the savory taste and tenderness. Once we grill and baste with our famous “Sweet Sauce” you’ll be asking for seconds! This also works great as a compliment to any of our plates and platters.

Ribs
Bar-B-Cutie’s Baby Back Ribs get the same attention to detail and then some. We hand rub each rack with our exclusive rib rub, slow cook them for tenderness, and serve them up just how you like em. Wet or dry. 1/2 rack or full rack, they’re sure to satisfy even the hungriest of appetites. Bar-B-Cutie Baby Back Ribs - “THE BEST FRIEND A NAPKIN EVER HAD”

TURKEY
Bar-B-Cutie uses only the finest Turkey Breast. Why settle for anything less? We slow cook our Turkey and offer it by itself or on stuffed spuds. However, you order it, this lean and tasty meat is sure to please your taste buds!

BAR-B-CUTIE SECRET SAUCES
Our sauce recipes have been passed down from generation to generation for over 55 years. Whether you choose our Hot, Mild or Sweet Sauce, we have blended the finest ingredients and believe the difference is in the taste. Enjoy!

CORNBREAD
Bar-B-Cutie has put a new spin on a traditional favorite. We make our cornbread batter fresh daily and cook it to order. Served up looking more like pancakes than what ma used to give us. Don’t be fooled, our cornbread is terrific and complements any meal.

SMILING FACES
While smiling faces is not something you’re used to seeing on a menu, Bar-B-Cutie believes in our team giving you the very best service with a smile so much, we rigged it so we'd be the first to put it right here for you to see. It’s the first time you’re ever dissatisfied with the service or experience in one of our stores, please ask for a manager immediately. We aim to please and anything’s possible if you just ask.
